Week 34

This Week's Lessons and Tests:

- > Reading- Read pages in your reader for 15-20 minutes each night. Please ask your child to notice if every sentence they read starts with a capital letter and ends in punctuation. I would like them to note that in their reading so when we write stories it will be reinforced.
- > Writing- Students have been writing stories up to 5 sentences. I encourage you to work with them on this at home too. This activity is preparing them for second grade.
- > Language- Writing stories with proper punctuation, correct word usage, and using our imagination.
- > Math- Double-digit addition and subtraction, coin recognition, time to the hour. Half-hour, quarter of an hour, Roman numerals, counting coins, patterns, graphs, yards, feet, inches, centimeters, pints, quarts, gallons, solving story problems, temperature, adding double digit numbers, and fractions.
