

# First Grade Frontier Homework - Week 34 - May 14-May 18, 2012

Please keep this sheet at home or in your Fish Folder for reference. Completed homework pages need to be signed and returned on Tuesdays, Wednesdays, and Fridays. If your child does not have their name and number on their homework I cannot tell whose paper it is and they will not get credit. First Grade is starting many new concepts, new routines, and we will be delving more into our creative writing which is going to be fun.

Readers will be sent home each Monday-Friday. Reading is assigned as homework daily. Reading every night would be the best way to become a fluent reader.
