

## Prayer for Salvation Video Contract

All junior high students are required to create a video of them leading an adult to the Lord. The intent of the project is for each student to have this video as a future reference. This video project will be scored as a second quarter Bible Final Exam grade; which is 33% of the overall score. The due date is January 27, 2012, the last day of the academic quarter. Projects turned in late will have lowered scores and **ALL** students must complete this project. No projects will be accepted after February 3, 2012. Any student who fails to turn in this project will receive a Bible grade of D+ or lower. Each student's video will be scored on content and quality. Videos may also be completed in the form of power point.

I \_\_\_\_\_ understand that I am required to complete a video of myself  
Print student's name  
leading an adult to the Lord, and the due date is January 27, 2012. I also have received my Bible verses and steps for leading someone to the Lord. I realize that this project will be a major portion of my Bible grade for the second quarter and that videos turned-in late will receive lower scores. I also understand that if I fail to turn-in this project I will receive a Bible grade of D+ or lower, and no project will be accepted after February 3, 2012.
